

Dear All

This is just a short note to thank you for attending the presentation on Investors in People at the Grand Pavilion Conference Centre on Wednesday afternoon. I trust that you found it useful, stimulating and enlightening and that it has encouraged you to consider taking part in the Pilot Programme. If you would like your organisation to take part in the Pilot Programme do remember to please put this in writing. I will then arrange to meet with you to discuss the requirements in detail. I am pleased to say that a number of you have already written to confirm their interest. I hope to hear from the rest of you soon.

There was a request from a number of attendees for a copy of the presentation and I did promise to email these by Friday. I have attached them in Microsoft Word format. Should you require any further information, clarification of any issues or wish to have a presentation made to members of your organisation please do not hesitate to contact me.

Kindest regards
